

Nuclear Revival

Following the second International Ministerial Conference on Nuclear Energy in the 21st Century and the 8th china international nuclear exhibition, **Nuclear Industry Congress 2009**, which will convene on **October 27th-30th, 2009** in Shanghai, **China**. will continue to bring together over **400 leaders and specialists** from more than 30 countries. It is organized under the auspices of National Energy Administration, China and CAEA, endorsed by IAEA, WNA, WANO and Nuclear Society of Russia, Korean Nuclear Society, etc.

A Quick Overview of Nuclear Industry Congress 2009

Two Pre-conference Workshops + Two Days Conference + Two Site Visit + 25 Boutique Exhibitions

400+ attendees 40+ Eminent Speakers 25+ NPP project updates Limited 25 exhibitions
20+ networking hours And many more to be desired!
All in 1 event: Nuclear Industry Congress 2009

Oct.27		Oct.28		Oct.29		Oct.30		
Pre-conference Workshop		Day 1 Conference		Day 2 Conference		Post-conference Site Tour		
Workshop A NPP Safety Operation, Maintenance & Lifecycle Management	Workshop B Uranium Supply & Demand and Import Regulation of China	Session 1 Nuclear Renaissance: Building Confidence at a Time of Economic Instability.	Session 2 National Strategy & International Cooperation.	Session 3 Roadmap for Approaching Technology Self-reliance in the Nuclear Power Industry	Session 4 Equipment Manufacturing Location & NPP EPC Management	Session 5 Nuclear Fuel Cycle Market Dynamics Session 6 Evaluating Longer-term Challenges to Nuclear Power	Zhejiang Sanmen NPP— World's First AP1000 NPP	Qinshan NPP ,Phase I, II, III & Fangjiashan NPP

How Can You Afford to Miss the Nuclear Industry Congress 2009?

- ⌘ Representing **national determination** to promote the **peaceful utilization** of nuclear energy to tackle **climate change** and **energy security**
 - ⌘ Gathering all the **key stakeholders**, from the international agencies, local governments to leading industrial practitioners and academia
 - ⌘ National strategy and international cooperation for the **biggest nuclear program**
 - ⌘ In-depth analysis on the **next generation** commercial reactors
 - ⌘ In-depth analysis on the equipment manufacturing **localization** and NPP EPC management
 - ⌘ Eyes on the most booming **nuclear fuel cycle**
 - ⌘ Evaluating **Longer-term Challenges** to Nuclear Power
 - ⌘ Promoting the industry **transparency** for public acceptance and the **sustainable** nuclear energy future
- Hear the latest views and forecasts from key industry speakers from along the entire value chain**

- ⌘ **Werner Burkart** , Deputy Directors General, IAEA
- ⌘ **Guobao Zhang**, General Director, National Energy Administration, China
- ⌘ **Rixin Kang**, President, China National Nuclear Corporation (CNNC)
- ⌘ **Zhimin Qian**, Chairman, China Guangdong Nuclear Power Holding Co., Ltd (CGNPC)
- ⌘ **Vincent de Rivaz**, CEO, EDF Energy

- ⌘ **Binghua Wang**, Chairman, **State Nuclear Power Technology Corporation (SNPTC)**
- ⌘ **Luc Oursel**, President, **AREVA NP**
- ⌘ **Masaharu Hanyu**, President & CEO, **Hitachi-GE Nuclear Energy**
- ⌘ **Bill Poirier**, Vice President, **Westinghouse Electricity Company, LLC**
- ⌘ **Mingguang Zheng**, Director General, **Shanghai Nuclear Engineering Research & Design Institute**
- ⌘ **Gangguo Shu**, General Manager, **CGNPC China Nuclear Power Engineering Co., Ltd**
- ⌘ **Mi Xu**, Chief Engineer and Head for FBR, **China Institute of Atomic Energy**
- ⌘ **Zhiming Xia**, General Manager, **State Nuclear Power Engineering Co.,Ltd**
- ⌘ **David Barry**, President, **Nuclear Division, Shaw Group**
- ⌘ **Yinong Li**, General Manager, **Fujian Ningde Nuclear Power Company**
- ⌘ **Xueqing Huang**, Chief Engineer & Deputy Director, **Nuclear Power Institute of China**
- ⌘ **Ji Wang**, President, **Dongfang Electric Corporation**
- ⌘ **Jun Li**, General Manager, **Shandong Nuclear Power Equipment Manufacturing Co.,Ltd**
- ⌘ **Kiyoshi Yamauchi**, Executive Officer & Senior Vice President, **Mitsubishi Heavy Industries**
- ⌘ **Yuehui Chen**, Vice General Manager, **China Nuclear International Uranium Corporation, CNNC**
- ⌘ **David Doerksen**, Vice President, **Cameco Coporation**
- ⌘ **Xuhui Zhu**, Vice General Manager, **China Nuclear Energy Industry Corporation**
- ⌘ **Moukhtar Dzhakishev**, CEO, **Kazatomprom**
- ⌘ **Maurice Lenders**, Executive Director, **Urenco**
- ⌘ **Lucas Mampaey**, General Manager, **World Association of Nuclear Operators**
- ⌘ **Kaj Ahlbom**, Site Manager of Forsmark, **SKB, Sweden**
- ⌘ **Yves Kaluzny**, Senior Vice President, **Commission for Atomic Energy, France**

Participants from China will be:

⌘ **Government Agencies:**

NDRC, National Energy Administration, State Environmental Protection Administration, etc..

⌘ **Nuclear Power Giants:**

CNNC, CNEC, CGNPC, CPIC, SNPTC, China Huaneng Group, China Datang Corporation, etc...

⌘ **NPPS under Operation:**

Qinshan NPP, Tianwan NPP, Daya Bay NPP, Lingao NPP

⌘ **NPP under construction or planning:**

Sanmen NPP, Taishan NPP, Fangjiashan NPP, Ningde NPP, Fuqing NPP, Haiyang NPP, Hongyanhe NPP, Hubei Dafan NPP, Hunan Taohuajiang NPP, Jiangxi Pengze NPP etc...

⌘ **EPC Contractors and Research Institute:**

China Nuclear Power Engineering Co., Ltd, State Nuclear Power Engineering Co.,Ltd, Nuclear Power Institute of China, China Institute of Atomic Energy, Shanghai Nuclear Engineering Research & Design Institute, Tsinghua University etc...

⌘ **Leading Equipment & Facility Vendors:**

Harbin Power Equipment, Dongfang Electric Corporation, Shanghai Electric Corporation, China First Heavy Industries; Shenyang Blower Works Group, CNNC SUFA Technology Industry, Dalian DV Valve, etc...

Participants from foreign organizations will be:

IAEA, WNA,WANO, Areva, Westinghouse, Rosatom, AECL, Hitachi-GE, Siemens, Alstom, Mitsubishi Heavy Industry , Doosan Heavy Industry , Sandvick, Flowsolve , SEC-KSB, ClydeUnion, Weir, Sulzer, Fortum, Ensa, AnsaldoNucleare, ENERSENSE, Itochu, Cameco, Kazatomprom, Urenco, Converdyn, Energy Solution, VTT, etc...

Can you afford to miss the GREAT EVENT?

On behalf of the organizing committee, we would like to **invite you and other senior managers** to attend the **Nuclear Industry Congress 2009**. With your presence in **Nuclear Industry Congress 2009**, we believe it will bring up the profile of your firm in the nuclear industry and probably bring more potential business to your company.

To register, please call **+86 21 5830 0710** or response by the **email directly**.

Look forward to meeting you in Shanghai, China in Oct, 2009.

Best Regards,

Organizing Committee, Nuclear Industry Congress 2009
 Suite 909, No. 877, Dongfang Road, Shanghai 200122 PRC
